REPORT.

NEW YORK, April 1st, 1891.

The following report of the Company's business and property for the year ending December 31st, 1890, is respectfully submitted by the Board of Directors to the Stockholders:

CAPITAL STOCK.

The Capital Stock remains unchanged; it is \$18,738,204.

FUNDED DEBT.

On the 1st of January, 1890, there became due \$1,900,000, in 8 per cent. Bonds of this Company, secured by a mortgage on the Michigan Air Line Railroad, and on the 1st of November, 1890, there became due \$200,000 in 8 per cent. Bonds of the Michigan Air Line Railroad Company, secured by a similar mortgage. This Company having expended a very considerable sum in making permanent improvements on the Air Line, and having charged the amount so expended to "Air Line Construction Account," and it being considered desirable that further improvements should be made on the property; in order to take up the bonds becoming due as stated, and to provide for the payment of the improvements named, an issue of \$2,600,000 in 50 year Bonds of this Company, bearing interest at 4 per cent., was made, secured by a general mortgage on the Air Line property. The saving effected in annual interest by this process was \$64,000. The original \$1,900,000 being Bonds of this Company's own issue, had already appeared in its "Construction Account," but the \$200,000 of the Air Line Company's Bonds had not so appeared. The \$200,000 of new issue has been added to the "Construction Account of Leased Lines."

The report for the year 1889 contained a statement respecting the 8 per cent. Bonds of the Kalamazoo & South Haven Railroad Company that became due on the 1st of November in that year, and mentioned also \$70,000 in similar Bonds which would become due on the

1st of November, 1890, and of a reservation of 5 per cent. Bonds to provide therefor. The \$70,000 in 5 per cent. Bonds were sold, and the 8s taken up at their maturity; the saving in interest by this process being \$2,100. The new issue being of this Company's own Bonds, and the case being precisely like that of the Air Line just described, an addition of \$70,000 has been made to the "Construction Account of Leased Lines."

Eight per cent. Bonds of the Jackson, Lansing & Saginaw Railroad Company to the amount of \$56,000, and 6 per cent. Bonds to the amount of \$73,000, were purchased and cancelled by the Land Grant Trustees; the saving thereby to this Company in its annual interest payment is \$8,860.

During the year the Company acquired the control, by a lease, of the Battle Creek & Sturgis Railway, between Battle Creek and Sturgis, a distance of 41 miles, upon a guarantee of \$500,000 in 100 year 3 per cent. Gold Bonds. Of this amount, however, \$79,000 are sub-guaranteed by the Lake Shore & Michigan Southern Railway Company, for the control and operation of that portion of the road between Findlay and Sturgis, leaving the resulting obligation of this Company, \$421,000, of which amount \$24,000 is held for the payment of additional terminal grounds. And also by a lease of the Bay City & Battle Creek Railway, between West Bay City and Midland, about 18 miles in length, upon a guarantee of \$250,000 in 100 year 3 per cent. Gold Bonds, of which amount \$48,000 is held for the payment of additional terminal grounds. The entire capital stock of each of the companies was surrendered to this Company, being \$500,000 in the former case, and \$300,000 in the latter. These leases cause an annual addition of \$17,970 to the fixed charges.

Total.....	1,609.22	241.60

During the year, in accordance with the contract of the Canada Southern Company, there was constructed fifty-five miles of second track, in the sections from Welland to Cayuga, from St. Clair Junction to Dutton and from Yarmouth to Springfield, which has been paid for by that Company through proceeds of its second mortgage Bonds sold.

One hundred and twenty-five thousand dollars of the amount refunded to this Company by the Michigan Air Line Company, on account of expenditures made on the property of that Company, has been expended in constructing a second track from Grass Lake to Dexter, a distance of 18 miles.

In addition thereto, a second track from Maidstone Cross to Essex Centre, four and one-half miles, in Canada, and from Bay City Junction to Belt Line Junction, in Michigan, five miles, has been built, and the cost of the same included in Operating Expenses.

There are 762.37 miles of side track in addition, making an aggregate track mileage of 2,585.19 miles, of which 2,351.70 miles are laid with steel, and 233.49 miles with iron.

CONSTRUCTION.

This account has been increased for additional yard room, station grounds, right of way, and other purposes as follows:

EARNINGS.

The earnings are as follows:

	1890.	1889.
From freight.	\$9,311,289 87	\$8,736,962 70
“ passenger.....	4,459,074 13	4,327,091 37

“ miscellaneous.....	58,585 84	104,720 94
Total.....	\$14,490,711 79	\$13,786,925 16

showing an increase of \$703,786.

The freight traffic shows an increase in tons moved one mile of 137,000,000 tons, and in earnings of \$574,000, the increase appearing in both east and west bound through, and also in local traffic. The rate per ton per mile shows a decrease from 0.726 to 0.695, or 0.031.

The passenger traffic shows an increase of 8,259,000 in passengers moved one mile, and of \$132,000 in earnings. The rate per passenger per mile shows a decrease from 2.306 to 2.276, or 0.030.

EXPENSES.

The gross operating expenses, which appear in detail elsewhere, are as follows:

	1890.	1889.
Expenses.....	\$10,427,402 78	\$9,587,535 97
Taxes.....	304,351 29	307,622 35
Expenses and taxes....	\$10,731,754 07	\$9,895,158 32

showing an increase of \$836,595.75.

The increase in operating expenses in excess of that caused by increase of traffic, is due to extensive renewals of bridges and buildings, to the construction of a large amount of new sidings, nine and one-half miles of second track, and to the adoption at important junctions and crossings of interlocking signals.

OPERATING RESULTS.

The result of the year's operation is shown by the following statement.
